Dear Dr. Elcin:

The Association of Standardized Patient Educators (ASPE) is pleased to endorse the 1<sup>st</sup> Meeting for Turkish Standardized Patient Educators to be held April 26 – 27, 2007, at the Hacettepe Universitesi in Turkey.

The topics included in the program are extremely important to educators using standardized patients. Both Devra Cohen and Jan-Joost Rethans, members of ASPE, are very knowledgeable in the field of standardized patients and will contribute much to the meeting.

We also wish to extend a warm invitation to our international community of standardized patient educators to join our organization. Interested individuals can go to the ASPE website <http://www.aspeducators.org/> to learn more about ASPE. Those wishing to join can click on “Join ASPE” on the left side of the page.

On behalf of the Association of Standardized Patient Educators, I wish you a very successful meeting!

Sincerely,

Delia Anderson, President
